ARE YOU PAYING TOO MUCH FOR YOUR COPIER LEASE AND PRINTING COSTS?

Few business professionals have the capability to review and understand their copier-lease contract to determine if they are over paying. If you wait until your lease is nearing its end of term, it is often too late.

At ABT we know the mystery that is often intentionally built into the lease document. This mystery means that you are likely paying too much. This mystery can be in the form of automatic renewals, built in escalations, and high built in monthly print minimums to name only a few of the tricks.
